

# DRUMDARROCH CARE HOME

# Welcome

We constantly strive to ensure our standards of person centred care and support in the home are maintained to the highest level.

We are passionate about ensuring the standards in our homes are of the highest level at all times. We constantly strive to develop and improve our service, always looking for more ways to make the time you and your family spend with us an enjoyable, fulfilling and enabling experience.

Three generations of our own family work in our homes and it is easy to see that caring is in our nature. As a family we pride ourselves on the quality of care our clients receive every single day.

# Quality Care

- 🌿 Friendly, caring staff
- 🌿 Personalised care planning
- 🌿 Experienced trained staff team
- 🌿 Varied client centered activities
- 🌿 Full Time Activities Co-ordinator

Drumdarroch's friendly and caring staff are skilled in delivering a quality service to clients. Each client has an allocated Named Nurse and Key Carer to assist them in all of their care and social needs.

# Our Home

- Wonderful Rural Views
- Large landscaped gardens
- Group minibus for outings & trips
- 45 minute drive from Aberdeen
- Close links with local village

Located in the heart of rural Aberdeenshire, just off the A96, Drumdarroch House Care Home is a one storey, purpose built care home with a warm & inviting atmosphere catering for up to 41 clients.

Drumdarroch enjoys an open aspect on the edge of the village of Insch with fantastic views of woodland, Dunnydeer Hill and the remains of the Dunnydeer Hill Fort.

The home has close links with the village and the surrounding areas - these links are encouraged and fostered by way of events and activities throughout the year. Both bus and rail services are within easy walking distance of the home which is appreciated by visitors and relatives. There is also a group minibus which is often used for outings and organised trips.

## Feel At Home

- Large Bedrooms
- Large assisted wetrooms & bathrooms
- All rooms with en-suite facilities
- Modern Nurse Call System
- Television and phone point

Each client benefits from a large, comfortable room with en-suite toilet facilities. There are television and telephone points in every room, as well as a modern nurse call system. Clients can personalise their own room with their own small furnishings, pictures, etc. to help them feel “right at home”.

# Our Facilities

- Completely Refurbished in 2015
- Large landscaped gardens
- Four modern lounges
- In-house hairdresser
- Qualified catering staff
- Varied seasonal menus
- Home baking

As part of our commitment to ensuring our clients enjoy the most comfortable environment possible, we recently fully refurbished the home.

All communal bathrooms have been fully modernised and upgraded to include “rise and fall” chroma therapy spa baths with homely design features.

All clients’ lounges and communal spaces were fully redecorated with new furniture and soft furnishings to create warmth and comfort.

## Food you'll love

Our Catering Staff provide tasty, nutritious, well-balanced meals with the flexibility to accommodate specific dietary requirements, particular client favourites and individual choice at all times.
